Dear Commissioners:

In 2010, Fayette County Airport Authority received a \$50,000 special allocation which was earmarked toward a hangar project. To date, \$30,336.74 of this amount has not yet been spent. Due to the fact that the Authority is no longer actively pursuing that particular hangar project and finds itself in need of operating funds, we would like to request that the County Commissioners allow the Authority to reclassify the remaining amount as operating funds. These funds would be used to pay off several past due fuel invoices so that the Authority can become current with its vendors. We thank you for your consideration in this matter.

Sincerely,

John Neckerauer
Airport Manager
