Ms. Kathy Winkler
61 East Main Street
Uniontown, PA 15401

Ms. Winkler,

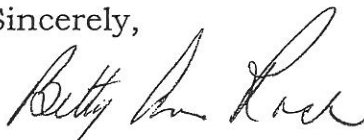

I am writing this letter to express my interest to be considered for the Behavioral Health Advisory Board in Fayette County.

My name is Betty Ann Rock. I am the Chief Nursing Officer at Uniontown Hospital. Our hospital opened an 18 bed geriatric behavioral health unit and structured outpatient program on July 1, 2010. Prior to that time, Uniontown Hospital had not provided behavioral health services beyond emergency treatment and referral to other facilities. Our new unit was built in hopes to add needed inpatient behavioral health and consultation to our medical physicians in caring for their patients in all areas of our hospital.

It would be beneficial for our hospital to be involved in and aware of all behavioral health services and issues in the county and to provide others in the county with information about our services. Collaboration and coordination of care across the continuum is one of Uniontown Hospital's goals for the provision of care that we provide.

Thank you for your consideration, if you should need any further information regarding my personal resume, please call me at 724-430-5032.

Sincerely,

Betty Ann Rock
Vice President, Nursing/CNO
